December 15, 2009

On behalf of the West Island Mission, I would like to express my heartfelt thanks to you for your generous support during our 2009 Christmas campaign. Your generosity and commitment to helping the underprivileged in our community is sincerely appreciated.

Each year, the West Island Mission continues to advance its work of reaching out to the less fortunate in our community. Through our efforts, together with the invaluable contribution of volunteer hours and gifts, we have seen many lives changed for the better. In addition to our weekly Emergency Baskets, our 'special giving programs' (Spring and Christmas) have enjoyed great success.

We want you to know how much we genuinely appreciate everything you have done to support the West Island Mission. You are a role model for others living and working on the West Island.

With your help, we were able to assist many of our West Island families during the Christmas season, providing well-balanced food baskets along with gifts and toys to the children. We have attached a few pictures so that you can see just how much your act of kindness contributed to this event.

Thanks to the kindness of donors like you, families who may be living through a difficult period in their lives have the opportunity to experience a brighter day!

Warmest regards,

Wendy Gariepy
